Sumitomo Mitsui Finance and Leasing Company, Limited

Notice Regarding Consolidated Financial Results for the Fiscal Year Ended March 31, 2020

Sumitomo Mitsui Finance and Leasing Company, Limited (the "Company," President: Masaki Tachibana) hereby announces the consolidated financial results for the fiscal year ended March 31, 2020 as follows.

1. Status of Operations

During the fiscal year ended March 31, 2020, the global economy continued to grow at a modest pace, despite an increasing trend toward slowdown overall, especially in China and Europe. However, through the end of the fiscal year, due to restrictions on economic activities caused by the worldwide spread of the novel coronavirus infectious disease (COVID-19), the economy rapidly decelerated, increasing the risk of a future downturn.

In the Japanese economy, although there were declines in exports and manufacturing due to the slowdown of the global economy and the impact of natural disasters, the modest recovery continued, buoyed by lower but still relatively high corporate performance, as well as robust domestic demand, including improvements in the employment and income environments and recovery of consumer spending. Meanwhile, the effects of the novel coronavirus infectious disease (COVID-19) through the end of the fiscal year have created a severe situation subject to significant downward pressure.

Capital investment in Japan maintained a modest albeit weak growth trend, supported by investments in streamlining and labor saving. Leasing volume (preliminary statistics from the Japan Leasing Association) increased by 6.2% year on year to \(\frac{1}{2}\)5,298.3 billion.

The amount of new leases executed by the Group (including overseas) during the fiscal year under review increased by 6.8% year on year to \(\frac{\pma}{1}\),355.7 billion. The amount of new contracts executed, including installment sales, business loans and others, increased by 3.2% year on year to \(\frac{1}{2}\),489.2 billion.

2. Status of Financial Results

Revenues for the fiscal year ended March 31, 2020 increased by 0.8% year on year to ¥1,513.7 billion. In terms of profit and loss, operating income decreased by 1.7% year on year to \frac{\cup 489.4}{\cup billion}, and ordinary profit increased by 3.1% year on year to ¥90.3 billion. Profit attributable to owners of parent decreased by 23.5% year on year to ¥61.2 billion.

Operating assets at the end of the fiscal year ended March 31, 2020 increased by ¥454.1 billion year on year to ¥5,269.3 billion, and total assets increased by ¥566.0 billion year on year to ¥6,378.7 billion. Net assets increased by ¥1.5 billion year on year to ¥735.5 billion.

Please refer to the attachment for details.

Profit attributable to owners of parent	80,010	61,219

[Notes]

(Change in accounting policy)

The Company's overseas consolidated subsidiaries adopted "Leases" (IFRS 16) effective from the beginning of the fiscal year ended March 31, 2020.

(Additional information)

Regarding the transition to the group tax sharing system established in the "Act for Partial Revisions to the Income Tax Act" (Act No. 8 of 2020) and the subjects in the non-consolidated tax system that were revised in conjunction therewith, the Company and certain domestic consolidated subsidiaries do not apply the provisions under Paragraph 44 of Implementation Guidance on Tax Effect Accounting (ASBJ Guidance No. 28, February 16, 2018) in accordance with treatment under Paragraph 3 of "Treatment of Tax Effect Accounting for the Transition from the Consolidated Taxation System to the Group Tax Sharing System" (PITF No. 39, March 31, 2020), and amounts for deferred tax assets and liabilities are based on the provisions of the tax act prior to the revision.
