# Notice Regarding Consolidated Financial Results for the Fiscal Year Ended March 31, 2023 

Sumitomo Mitsui Finance and Leasing Company, Limited (the "Company," President: Masaki Tachibana) hereby announces the consolidated financial results for the fiscal year ended March 31, 2023 as follows.

## 1. Status of Operations

During the fiscal year ended March 31, 2023, the global economy as a whole continued to show a modest recovery, albeit with some variation from country to country and region to region, as economic activity resumed in the society coexisting with COVID-19. Some countries and regions experienced downward pressure due to factors such as Russia's prolonged invasion of Ukraine, and rising prices and the resulting policy interest rate hikes by central banks. In Japan, despite rising resource prices and exchange rate fluctuations, the economy picked up as a balance was struck between suppressing the spread of COVID-19 and resuming economic activity. Exports and production were on the rise as supply constraints gradually eased. Meanwhile, corporate earnings continued to improve moderately, the employment and income environment began to recover, and personal consumption increased moderately.
Although weakness was observed in some industries, capital investment in Japan moved from recovery to an increase, and leasing volume (statistics from the Japan Leasing Association) increased by $1.6 \%$ year on year.

Under these circumstances, the amount of new contracts executed by the Group during the fiscal year ended March 31,2023 increased by $6.9 \%$ year on year to $¥ 3,143.1$ billion.

## 2. Status of Financial Results

Revenues for the fiscal year ended March 31, 2023 increased by $18.7 \%$ year on year to $¥ 2,159.3$ billion. In terms of profit and loss, operating income increased by $14.6 \%$ year on year to $¥ 133.1$ billion, and ordinary profit increased by $14.3 \%$ year on year to $¥ 136.5$ billion. Profit attributable to owners of parent increased by $42.6 \%$ year on year to $¥ 50.4$ billion, despite the recording of an additional loss related to sanctions on Russia under extraordinary losses. Operating assets as of March 31, 2023 increased by $¥ 1,338.0$ billion from the end of the previous fiscal year to $¥ 8,057.4$ billion, and total assets increased by $¥ 1,449.6$ billion from the end of the previous fiscal year to $¥ 9,245.6$ billion. Net assets increased by $¥ 153.7$ billion from the end of the previous fiscal year to $¥ 1,175.2$ billion. Please refer to the attachment for details.
